## 2025 Highlights

### 2025 was an exciting time for the Shakti Project and Adult Co-production Group

Throughout spring, The Shakti Project took part in enrichment trips to Chiswick House and Gardens, Fulham Palace and Gunnersbury Park and Museum. This was an exciting time to bond in nature and learn more about West London's heritage.

We connected with other community organisations and local authorities. Hosting our very first community Chai and Chat with Afghanistan and Central Asian Association (ACAA), to support Islamophobia Awareness Month. We collaborated with Descendants, W12 Together and Ealing Gov to promote HFEH Mind services, at local events.

The Adult Co-production Group was hard at work making improvements to HFEH services, helping co-design promotional materials, updating our website and collaborating on a new training project.
