Open Path

This service provides support for Ealing residents 18+ who are experiencing household crises such as: housing, debt, welfare benefits, and employment.

What does this service help with?

This service aims to support those facing cost of living or household crises, by a mixture of casework, workshops, outreach and crisis support.

This service will primarily support those from low-income households in need, pensioners, unpaid carers, care leavers, single-person households, disabled people and those struggling with one-off financial concerns or unforeseen circumstances.

Free Sessions

These free sessions will cover a range of elements and will aid in navigating and liaising with services.

Ultimately, preventing further crises relating to cost of living and empowering individuals by providing self-advocacy tools and support plans.

Eligibility:

- You must be aged 18+
- Live in the Borough of Ealing
- Mild to Moderate Mental Health needs
- Struggling with housing, debt, welfare benefits, and employment
